(b) if so, the details of the cases pending consideration during the last three years; and

(c) the action taken/proposed to be taken to dispose of all the cases within a time-frame?

THE MINISTER OF STATE IN THE MINISTRY OF PERSONNEL, PUBLIC GRIEVANCES AND PENSIONS (SMT. MARGARET ALVA): (a) The Government has re-organised CBI in order to strengthen the existing Anti-corruption Division of CBI and start an Economic Offences Division to deal with economic crimes.

(b) The number of cases pending investigations at the end of 1992, 1993 and 1994 were 1262, 1205 and 1261 respectively.

(c) All possible efforts are made to dispose of every case as early as possible in accordance with procedure laid down in law.

**Centrally Sponsored Programme for Environmental Improvement of Urban Slums**

2653. SHRI SARADA MOHANTI: Will the Minister of URBAN AFFAIRS AND EMPLOYMENT be pleased to state:

(a) the main objectives of the centrally sponsored programme for environmental improvement of urban slums;

(b) whether the programmes has subsequently been transferred to the State sector under Minimum Needs Programme; and

(c) the achivements made by different States during the 7th and 8th Plan under this scheme?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN AFFAIRS AND EMPLOYMENT (DEPTT. OF URBAN EMPLOYMENT AND POVERTY ALLEVIATION) SHRI S.S. AHLUWALIA:(a) The Environmental Improvement of urban Slums Schemes has been in operation since 1972 for the development of slums. Under the scheme, facilities like drinking water supply, community baths, community latrines, sewer, storms water drains, widening and paving of existing lanes and street lights are being provided in the slum areas.

(b) The scheme of Environmental Improvement of Urban Slums was transferred to the State Sector under the minimum Needs Programmes in April, 1974.

(c) During the 7th Plan, about 99.80 lakh slum dwellers were covered by different States/UTs under the scheme. During the first three years of the 8th Plan i.e., 1992-93, 1993-94, 1994-95. 11.72, 13.01 and 16.66 lakh slums dwellers have been reportedly covered respectively by the different States/UTs. State-wise details of the achievement (both physical and financial) made under the scheme are shown in Annexure. [*See* Apendix 175 Annexure No. 64]

**Central Electronics Limited**

2654. SHRI YERRA NARAYANA SWAMY: Will the PRIME MINISTER be pleased to state:

(a) the role of Central Electronics Limited in producing and distributing solar powered devices and gadgets; and

(b) what other objectives have been set for CEL in the area of producing non-conventional energy devices?

THE MINISTER OF STATE IN THE PRIME MINISTER's OFFICE AND MINISTER OF STATE IN THE DEPARTMENTS OF ATOMIC ENERGY AND SPACE AND MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY (SHRI BHUVNESH CHATURVEDI): (a) Central Electronics Ltd. (CEL) is the nation's pioneer and largest manufacturer of Solar Photovoltaic (SPV)/Energy Products. It

is also the largest manufacturer of SPV products in the developing countries and is ranked by independent observers of the international SPV scene as the 5th largest manufacturer of SPV products in the world. CEL has a fully integrated plant manufacturing solar cells, SPC modules panels and SPV systems, all based on wholly indigenous technology developed in-house and in collaboration with some Government R&D laboratories. The company manufactures and sells some 25 different type of SPV systems for rural, remote area and industrial applications. As of end March 1995, CEL had manufactured and sold around 50,000 such SPV systems, both at home and abroad.

(b) The Mission Statement of CEL is:

"To achieve excellence in the technology of manufacturing and marketing of renewable energy systems and selected electronic materials, components and systems".

Based on this Mission Statement, CEL has so far confined itself only to Solar Photovoltaic products in the area of non-conventional/renewable energy. However, it is keeping the whole area of non-conventional energy sources under continuing review to see if there are commerciallly viable opportunities for it to take up non-conventional energy products in areas other than SPV.

**Handing over of Chhoti Subzi Mandi Janakpuri, New Delhi**

2655. MAULANA OBAIDULLAH KHAN AZMI: Will the Minister of URBAN AFFAIRS AND EMPOLYMENT be pleased to state:

(a) whether it is a fact that Chhoti Subzi Mandi, in Janakpuri, New Delhi, which was built by DDA, has been handed over wholly/partially to the Municipal Corporation and if so, the details thereof including the date of handing over;

(b) whether DDA has any dispute with the Corporation with regard to the handing over of this area and if so, the details thereof; and

(c) whether it is a fact that the allottees/owners in this area are using levied municipal taxes unlawfully as the market has not yet been transferred to the Corporation; if so, the reasons therefor?

THE MINISTER OF STATE OF THE DEPTT. OF URBAN DEVELOPMENT IN THE MINISTRY OF URBAN AFFAIRS AND EMPLOYMENT (SHRI R.K. DHAWAN) (a) and (b) Due to non finalisation of deficiency charges. Chhoti Subzi Mandi in Janakpuri is yet to be handed over by DDA to Municipal Corporation, Delhi.

(c) Levy of proporty taxes and transfer of the area to the Municipal Corporation of Delhi by DDA are two different issues. Property tax is levied on all properties situated within the jurisdiction of the M.C.D.

**C.T. Scanners**

2656. SHRI SATYA PRAKASH MALAVIYA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that C.T. Scanners are not working in most the Government Hospitals in Delhi and if so, since when;

(b) whether the hospitals have DSA and/or MRI;

(c) if not, when will they be equipped with these equipment; and

(d) the steps taken to ensure that all ICU and neurological units of Government Hospitals have adequate monitoring and vantilating equipments and target dates for modernising?

THE MINISTER OF HEALTH & FAMILY WELFARE (SHRI A.R. ANTULAY): (a) In so far as Central Government hospitals in Delhi are concerned, the whole body C.T. scanner is working, but the head C.T. scanner is temporarily out of order since 11.11.1995
